\$165,000

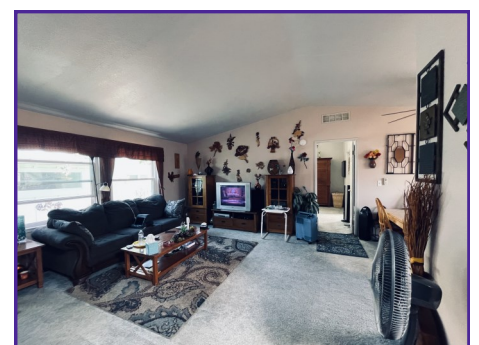

7440 W 4th street #31 Reno NV 89523
1995 56 x 24 1344 sq ft

This incredible 1,344 square foot home features 3 bedrooms, 2 bathrooms and a bonus room. It has central heat with a newer furnace, a newer swamp cooler on a thermostat, newer hot water heater, newer dual paned windows and sliding doors and a newer roof. The master bathroom includes dual sinks, skylight, shower and a garden tub. It has a laundry room with additional storage and as with all the appliances, the washer and dryer are also included. Throughout the home, you'll find solid oak custom cabinets with custom countertops, vaulted ceilings, and a ceiling fan. While two bedrooms have walk-in closets, the spacious master bedroom boasts a sliding glass door leading to a fully fenced back yard. Additionally, the property includes two storage sheds with electricity, one of which measures 11.5 by 17.8 feet with a built-in countertop and serves as a workshop. The backyard is landscaped with decomposed granite and includes a separate gated dog run and a custom concrete walkway.
